Source institution or organization: Canadian Network for Innovation in Education

The Association for Media and Technology in Canada established the AMTEC Trust in the 1990s to advance the field of educational

Several key questions have emerged through participation:

- 1) What encourages you to participate in an academic online exchange?
- 2) How can the LTC support your work locally?
- 3) What international connections are important/valuable to you?
- 4) How can we support transition to leadership roles in the LTC?
