

Thompson Rivers University Centre for Teaching and Learning

Gary Hunt

- We hosted the Society for Teaching and Learning—Educational Developer Caucus annual meeting on Feb. 18-20.
- We held our sixth annual Teaching Practices Colloquium on Feb. 15.
- We are revising our student ratings of instruction surveys.
- We are implementing our strategic plan with a major focus on student engagement.
- Our classroom scenario video clips on teaching culturally diverse learners is available on the BC Campus website. This was a BC Campus funded project to Kyra Garson, Emma Bourassa, and Penny Heaslip.
- We submitted a manuscript for publication in Transformative Dialogues for the special issue on the Carnegie Academy for the Scholarship of Teaching and Learning (CASTL) Affiliate institutions.
